Highlights from Outgoing Board President, Gary Williams

As we get a little older, no doubt each of us seems to think time moves by a lot quicker. This has certainly been the case for me as my term as President of the Board is rapidly winding down.

Serving as board president provided a different perspective and helped me to better understand the important role the library plays in the Back Mountain. I was often surprised at the number of cars that filled the parking lot. Our library is utilized by a large number of residents who range in age from toddlers that attend story time to senior citizens who enjoy reading and learning new things.

I'd like to thank everyone for the support you have given to the library over many years. Because of you, we have a wonderful community asset which remains financially strong and is guided by talented employees.

I also want to thank all the board members who have dedicated countless hours to making sure we are meeting our citizens' needs. This is clearly a working board of committed people who are willing to spend the time needed for our success.

Finally, I'm leaving my position knowing that our new president, Karen Shuster, is very capable and ready to lead the Back Mountain Memorial Library to even better things going forward!

Introduction of the New Library Board President

When she was twelve years old, Karen Shuster's family moved to Dallas after which she became a lifelong member of the Back Mountain community. During her first summer in Dallas, she attended the Library Auction held at Risley's Barn on Lehman Avenue. She was hooked!

After marrying Scott, her high school sweetheart, Karen has worked the majority of her banking career in Dallas. Currently she is Vice-President and Branch Manager of the Community Bank NA at the Kingston office.

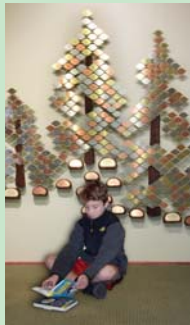

Having been an auction volunteer for many years, it was in 1994 when her good friend, Ernie Ashbridge, asked if she would take the position of Treasurer of the Library Auction. Karen still holds that position today and has also served as the Auction Chairperson for two years.

Karen values the many wonderful people she's worked with who volunteer on a regular basis. She feels the library is blessed to have such an active volunteer base to help raise necessary funds. From children's activities to utilizing electronics and making Wi-Fi available for everyone, the library is committed to adapting services and growing to meet the needs of the community. Karen is excited with the plans underway for improving the library's handicapped accessibility and renovations being considered for our community room.

Friends Thank Lynn Ahmad

A special note of appreciation is extended to Lynn Ahmad who served as the President of the Friends' Steering Committee from 2016 through 2018. Her dedication to that position has lead our group through two successful years of growth and fundraising. Thank you, Lynn! We value your continued contributions as a member of our steering committee.

Cruise Into Kindergarten

Play is vital to developing early learning skills. Talking, singing, reading, writing, and playing will help children develop the skills they need to succeed in Kindergarten. Our innovative six-week program incorporates all these elements and will be held this spring for children entering Kindergarten in the fall of 2019. The sessions will be held from 6:00 p.m. to 7:00 p.m. on Monday evenings (April 1, 8, 22, 29, May 6 and 13).

This special story hour will be held at 10:00 a.m. on Thursday, May 9.

Summer Reading 2019

"A Universe of Stories" is the slogan for this summer's reading program! The theme is space and celebrates the 50th anniversary of the first man on the moon. Children and teens will enjoy reading books of their choice, story hours, a variety of special programs, prizes, games, a final party and more! The program will launch June 1st and continue for twelve weeks until splash down on August 24th. 73rd Year for the Library Auction!

July 11, 12, 13 and 14 (Rain date – July 15)

The Auction Committee is pleased to welcome back the brother-sister team of Bill and Pat Peiffer for another year as Auction Chairpersons. Lifelong residents of the Back Mountain, Pat is a Lake-Lehman retired teacher and Bill is a store manager for the Rite Aid Corporation. Having been involved in numerous community and civic activities over the years, Bill and Pat feel strongly that the auction is the main event that brings family and friends together each year in support of the library. Together they agree, "It is a great resource, both educationally and socially, for the Back Mountain community!" Bill and Pat enjoy working with all the wonderful volunteers that make the auction successful, but they are always looking for new people to get involved, if only for a few hours. Call the library if you are interested in lending a helping hand.
